

ÁRPÁD CENTER

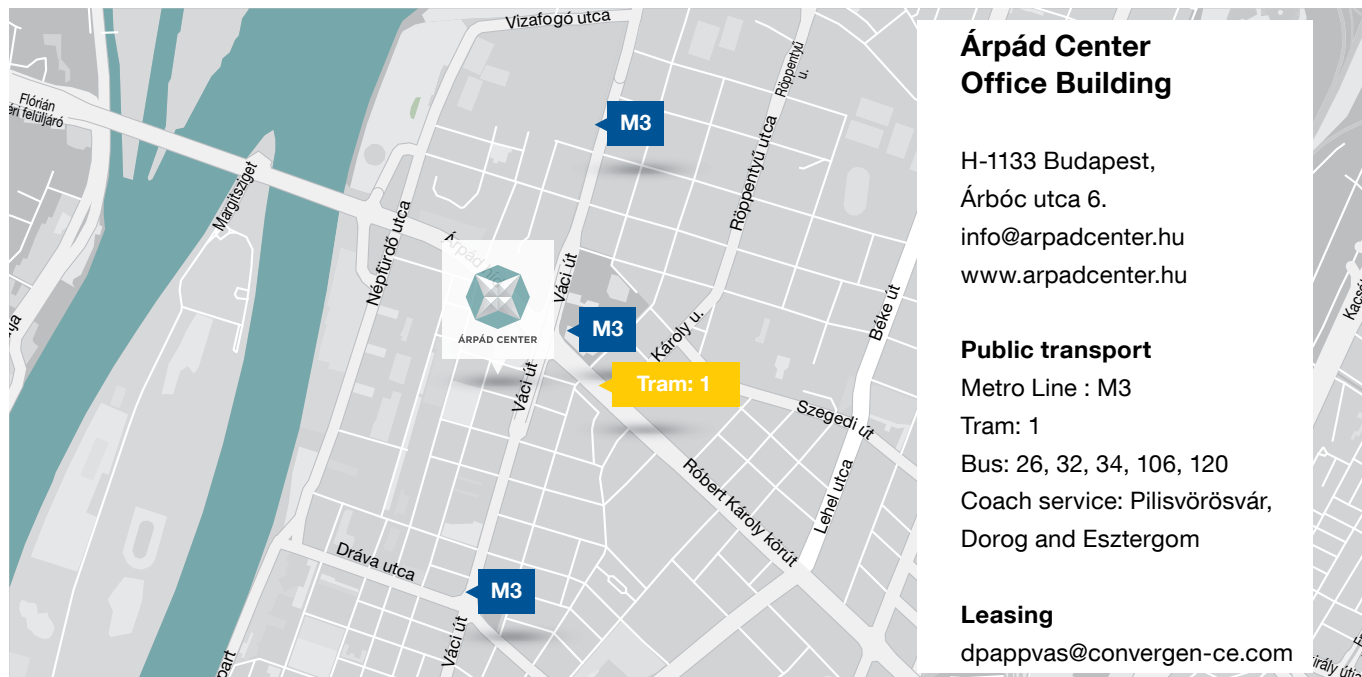

Spectacular development

Árpád Center Office Building is located on the Váci road office corridor at the Pest side of Árpád Bridge, and offers nearly 5,400 m² of office space on 7 floors. The accessibility of the building is excellent by car, public transportation and by bicycle. The parking spaces in the underground garage are for the exclusive use of the tenants. All office areas have openable windows with plenty of natural light and smaller size offices are also available. Árpád Center's revitalised neighbourhood is home of the new Agora Budapest office park as well, offering a wide variety of services. Beside a pharmacy, a tobacco shop, a restaurant and a bistro within the building, a hairdresser, a supermarket, a drugstore and a fitness centre are all within arm's reach.
